After the success of the first conference held in the Balearic Islands, Spain in 2007, the Organizing Committee invites you to participate in the Second Biennial Conference of IATE which will be held on 11-13 December 2009 in Chiang Mai, Thailand.

The Second IATE Biennial Conference provides an opportunity for researchers, scholars and practitioners to share and exchange their views on the latest developments in the field of tourism economics.

Applied papers that address practical issues of tourism economics using rigorous analytical techniques as well as papers that make methodological or theoretical contributions to tourism economics are welcome. Papers must be written in English.

The selection of the papers will be based on scientific quality and relevance. In particular, papers on the following fields are especially welcome:

- Tourism Modeling and Forecasting
- Competitiveness of tourism destinations/products
- Tourism and the environment
- Economic analysis of tourism demand
- Evaluation of environmental and cultural resources for tourism
- Tourism, economic growth and development
- Innovation in tourism
- Economic impact of tourism (IO models and CGE models)
- Tourism, labor markets and human capital
Tourism policy and tourism taxation
- Economic analysis of tourism supply
- Transport and tourism

Submission and paper selection
- An abstract of no more than 250 words should be submitted no later than April 20th, 2009 (see the website: www.iate2009.org).
- The results of the initial selection process will be communicated to authors by May 5th, 2009.
- The authors whose abstracts have been selected are required to submit the full papers no later than July 1st, 2009. The full papers should be submitted in MsWord or PDF format.
- The results of the full paper review process as well as the conference program will be communicated to authors by July 25th, 2009. THE SELECTION OF THE FULL PAPERS WILL FOLLOW A DOUBLE-BLIND REVIEW PROCESS.
- Please submit your abstracts/full papers online at www.iate2009.org/conference

Participation fees
